The Torch

1943 - 1944

Youth Today

YOUTH TODAY

Buoyant, Carefree Youth!

Youth's simplicity, its eagerness to live and enjoy every moment, its courage to act comprise the seed and hope of every nation. Youth eagerly anticipates the ending of the old, the beginning of the new. Youth incarnates the ideal.

LEADERS TOMORROW

Backward lie the lingering memories of carefree youth; ahead lie the realities, the ambitions and the hopes of the future. Youth's span is short to prepare for the life of tomorrow, for upon that preparation lies the world's future ideals.

Leaders Tomorrow

This

Book Is Dedicated TO

AMERICAN YOUTH AND TO THE IDEALS OF DEMOCRACY FOR WHICH THEY SERVE

"It is for us, the living — to be here dedicated to the great task remaining before us — that we here highly resolve that these dead shall not have died in vain; that this nation, under God, shall have a new birth of freedom".

—*Lincoln's Gettysburg Address.*

PART ONE

Some Impart

To gain knowledge is noble . . .
But to impart that knowledge
is to augment civilization,
to foster the leaders of tomorrow
. . . And is nobler still.

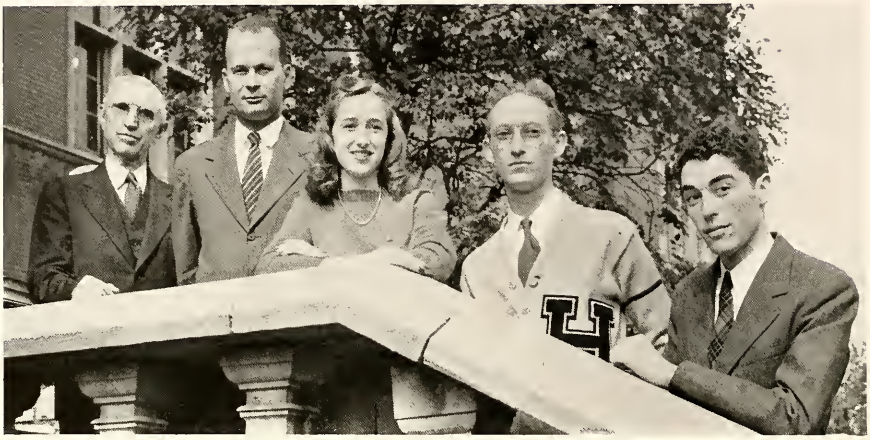
The Student Activity Fee Committee



Dr. Mayo, Dr. Naylor, B. Liese, J. Malone, G. Leppert

The problem of the Student Activity Pass, its cost and function, was handled this year by the capable Student Activity Fee Committee. This committee was formed in the Spring of 1941 at the recommendation of the Student Council. Its responsibility is the allotment of money for parties, school dances, intercollegiate sports, dramatics, and school publications. Serving upon the committee are two faculty members and four students. The students consist of the president and the vice-president of Student Council, a representative of Harris Teachers College, and a representative of Junior College.

Who's Who Among Students at American Universities and Colleges

Twelve Harris students were elected to membership this year in Who's Who among American college students.

The Student's Who's Who is an organization offering national recognition to outstanding college students. It honors students from more than 550 American colleges and universities and publishes a directory of them.

The choice of students is limited to upperclassmen, and the number from each school is based on the enrollment of the college. There are four requirements set up by Who's Who for the choosing of the candidates: character, leadership, scholarship, and potentialities. Character includes the reputation that the candidate enjoys among the students and the faculty. Leadership includes the extra-curricular activities, such as athletics, society, religion, and student government. Potentialities include future usefulness to business and society. The rank of the student must be well within the limits of the upper third.

In Front: Betty Finneran. First Row: Clifford Reutter, Arthur Jordan, Carolyn Conner, Hugo Jeemen. Second Row: Sidney Feldman, James Krause, Doris Cox, Thomas Rounds. Third Row: Ruth Ziegenmeyer, Dorothy Scheer, Gertrude Blumenau.

Kappa Delta Pi

Kappa Delta Pi, National Honorary Society in Education, was established in 1911 at the University of Illinois. Its purpose is to encourage high intellectual and scholastic standards, and to recognize outstanding contributions to education.

Gamma Lambda Chapter of Kappa Delta Pi was installed at Harris June 6, 1931. John Dewey, William Heard Kilpatrick, Charles Beard, George Carver and others who have attained eminent distinction in education are members of the Laureate Chapter.

Members are elected among the Junior students having a general scholastic average of at least ninety. Each semester, Gamma Lambda awards a pin to the ranking member of the Sophomore II class. Our local chapter, under the helpful guidance of Miss Byrne, provides an interesting program one evening each month.

Sigma Tau Delta

Sigma Tau Delta is a National Honorary English Fraternity to which students who are outstanding in Freshman English or who elect English as their special field may be elected. The purposes of Sigma Tau Delta include the fostering of creative writing and the promotion of interest in the great literary classics.

The Harris Quarterly was founded by the local chapter in connection with the first of these aims, and Phi Beta Chapter has worked with Book and Pen under the able direction of Dr. Specking and Dr. Whitney to promote student interest in the publication.

The second of our aims has been achieved during the past year through the study of Shakespeare and the Woolcott Readers at the monthly meetings which are held at the home of Dr. Specking, the chapter sponsor.

Alpha Phi Sigma

Alpha Phi Sigma is a National Honorary State Teachers College Scholarship Society and was established February 26, 1930. This society aims to instill in each member a love for learning by association with others who have won high scholastic honors and who strive continually to maintain them.

Members may be elected to Alpha Phi Sigma in their Freshman year as Novices, but they must maintain their scholastic superiority for three semesters in order to obtain the highest or "Master" rank. Each year a key is awarded to the senior who is chosen as the most outstanding in her services to Alpha Phi Sigma.

Dramatics

The Dramatic Group, under the sponsorship of Miss Elsie Yehling, has presented three plays during the past year at Southwest High School. The plays were, "You Can't Take It With You," a sophisticated comedy; "Letters to Lucerne," a modern drama, and the last, an Irish comedy, "The Far-Off Hills."

The entire production and direction were carried out by Miss Yehling and the students interested in drama. The settings were built by the stagecraft class, the make-up was under the care of those for whom it held special interest, and the scenes were drawn by school artists. The productions were sponsored by the Harris Teachers College Alumni Association.

HARRIS SPORTS

Best of Everything to a swell basketball Manager fellow

First Row: Gemming, Martin, Rosenblatt, O'Brien. Second Row: Sproull, Smith, Larkin, Ell, Coach Oth.

First Row: Gemming, Martin, Rosenblatt. Second Row: Smith, Sproull, Larkin.

Intercollegiate Baseball Team

Under the direction of Coach Oth, the 1942 baseball season proved to be a successful one. In addition to the regular schedule, numerous practice games were played with the Harris men bringing in their share of the victories.

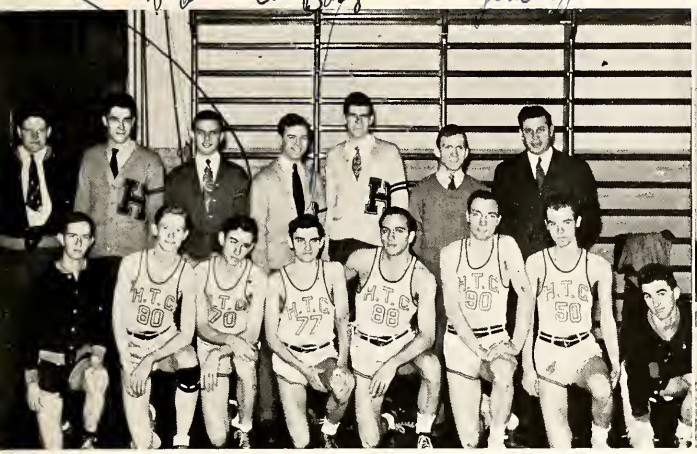
Top honors in batting went to Roger Larkin with a batting average of .420. Letters were awarded to Capt. Don Gemming, Larkin, O'Brien, Franklin, Rosenblatt, Sproull, Ell, Swift, Kuhs, Martin, Vogt, Smith, Sachs, Leppert and Chandler.

Prospects for the 1943 season look bright with seven returning lettermen and an enlarged schedule.

Football

The "Big Six," under Coach Oth's direction, had a few tryouts on the football field. "Rosie the Riveter" says they were really good.

When the pervasive odor of wintergreen permeates the halls, then we know that the school manager, Marvin Blumberg, is giving a rub-down. The boys thrive under his professional touch and keep an ample stock of wintergreen on hand, just in case Marv. can be secured.



First Row: Lawrence, Weber, Baczenas, Martin, Blumberg, Krause, Chandler, McDonough.
Second Row: Michel, Leppert, B. Fletcher, J. Fletcher, Ell, Noonan, Coach Oth.

Edna Burkert

Basketball

The basketball team of Harris Teachers and Junior Colleges had an exceedingly active season under the direction of Coach Oth. The team suffered a serious handicap in the spring due to the induction of the star players into the army, but recovered sufficiently to win from

Centralia	44-43	Jefferson	61-40, 54-15
Principia	52-37	Eden	50-30
Shurtleff	39-26		

losing only to

Shurtleff	47-32	Rolla	59-27
Centralia	49-28		

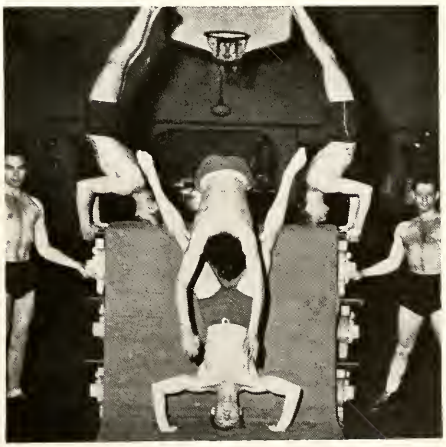
The team defended its title in several out-of-town games, going to Rolla, Shurtleff, and Carlinville where the boys not only participated in the games but enjoyed themselves thoroughly.

Tumbling

The Tumbling Team, organized and directed by Coach Oth, made its first appearance in January, 1942. Its activities include organized tumbling, hand balancing, apparatus work, and pyramid building. The team has participated effectively in the past two May Festivals.

Ball One!

Here we have Edna Burkert ready for strike one. The girls are as interested this season in their scores on the softball field as the boys are in their batting average.



Robert Jones

Obermeyer, Kiesel, Will

Bernard Rosenblatt

Ping-Pong

The boys' locker room is a scene of much activity. Here flying balls and swinging ping-pong paddles are in constant action. There is no monopoly on the paddles as we often see Kiesel, Will, Phillips, Krause, Blumberg, Leppert, Sparlin, Herzfeld, Stout, Liese, Argo, and countless others in lively action.

Badminton

Badminton, although a comparatively new sport at Harris, is rapidly becoming one of the most popular. There is no need to wait for spring to see the "birdies fly"; just take a walk through the Harris Gym.

The most ardent fans are for the most part the Physical Education Minors, Kiesel, Massey, Obermeyer Stout, Ulery, Weir, and Will.

Burkert, Kiesel, Miss Hanss, Schoene, Obermeyer, Argo, Von Glinow.

Boxing

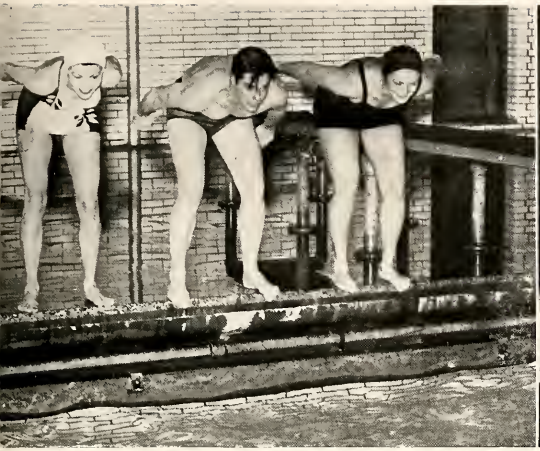
Boxing is a new sport at Harris, but one that is eagerly accepted by the boys. Coach Oth really kept his boys on their toes by handing out new gloves and providing them with ample space for practice. Gemming, Larkin, Martin, Smith, Sproull, and Rosenblatt said they were only "kidding" when they danced up to each other to take a punch at the nearest nose.

Bowling

This sport is an intercollegiate affair. All classes are represented in the ten bowling teams. To see the earnest endeavors of the Harris Bowlers, one has only to go to the Grand-Park Bowling Alley every Wednesday from three to five-thirty, where not only are novel gutter balls spun down the shining alleys by the inexperienced hands of novices, but some expert strikes are thrown by the hands of champions.

Five High Men—Baer, Martin, Larkin, Gemming, Blumberg.

Five High Women—Scheer, Weir, Kiesel, Topping, Will.



Baumgartner, Plischke, Kiesel

Henne, Stergos

Swimming

Harris boys and girls stretch both muscle and limb in ardent effort to overcome the resistance of water. Swimming is a sport enjoyed by all, and under the able leadership of our Physical Education director, Miss Hanss, is gradually being developed into competitive play.

The swimming program is carried on at Roosevelt High School Pool on Tuesday nights from 7:30 to 9:30. Here instruction is given the non-swimmers, novices, and advanced groups. Life-saving is also part of the program.

A few of the regular enthusiasts are: Edna Close, Ora Mae Colby, Edna Burkert, James Fletcher, Willis Gross, Alice Petrikovitsch, Joseph Plischke, Lois Kiesel, Anita Sausele, Fern Ulery.

Boxing

Boxing is a sport to be enjoyed only by Sports. Here we see Harry Martin in a typical pose—"dukes up," watchful eyes, and leading with his right.

Basketball

It was a pretty high "toss-up" for Coach Oth to decide just which of his boys deserved letters for their work on the basketball floor. The following boys received letters this year:

*Baczenas	Kuechler
Blumberg	Leppert
*Chandler	*MacDonough
*Crown	*R. Martin
Ell	Michel
Goldman	Noonan
*Henne	Smith
*Krause	Stergos
	Weber

*Now in service.

Girls' Basketball

The Harris sextet did not quite gain the 500 mark for the 1943 season as they had only five victories against seven hard-fought defeats.

The highlight of the season was the most enjoyable trip to Southeast Missouri to the State Teachers College at Cape Girardeau. Here the Harris girls suffered defeat. The Cape netsters slipped past our guards in the last few minutes of the game and took the lead.

Burkert, Will, Kiesel

The year's star players were:

Elchlepp	Topping
Kiesel	Will
Scheer	

Guards —

Jane Elchlepp, Capt.	Dorothy Larsen
Lois Kiesel	Dorothy Rumer
Dorothy Scheer	Hermine Seiser
Betty Stout	Betty Self

Forwards—

Adrienne Topping	Delores Krobot
Jean Barnard	Bonnie Simms
Emalene Will	

Archery

At the first sign of spring the Harris Teachers archers can be seen practicing on the school lawn. For many years archery has been one of the main individual sports at Harris for it is open to and enjoyed by all.

Tennis

Lithe young figures in shorts, sun-browned faces, strong tanned arms, are often seen on the tennis courts of Harris. Tennis is one of the most popular of sports. Students come at early dawn and stay until late evening, practicing, practicing, practicing. Interscholastic tournaments are held, with Harris carrying off a fair share of the victories.

The members in this year's tournament, coached by Dr. Whitney, are:

Bill Evraiff	Gerald Moeller
Val Miller	Emaline Will
Bob Kenny	Lois Kiesel
Dan Buechler	Betty Brewer
Bob Thompson	Dorothy Larsen

Hockey

The Hockey Varsity played seven games, winning three, losing three, and tying one. Maryville, Fontbonne, Jewish Nurses, Principia, and Harris Alumnae furnished the competition.

Edna Burkert served her fourth season as a varsity member of the team. Twelve girls earned letters. The Hockey Team will lose over half of its players through graduation this year.
